A GUIDE TO THE YOUTH WELLBEING SERVICE

A project funded by
Families First in the
Vale of Glamorgan

The Youth Wellbeing Service will offer targeted support for young people aged 10 to 16 in the Vale of Glamorgan who have faced adverse childhood experiences which are significantly affecting their wellbeing.

The core aims of support are to increase confidence, develop resilience and improve their wellbeing.

The service will work in collaboration with other services and key partners to ensure young people reach their full potential.

The service aims to:

- Improve social and emotional wellbeing.
- Increase confidence and resilience.
- Empower young people to become active and productive participants in society.
- Improve the life chances of young people.
- Build the capacity of young people to consider risk, make reasoned decisions and take control.
- Develop positive attitudes, behaviour and aspirations.
- Develop the ability of young people to manage personal and social relationships.
- Prevent needs from escalating.

Services that may be offered to young people:

- 1:1 Mentoring Support
- Group Support
- Workshops at schools or youth groups
- Information and Advice Services
- Advocacy
